SUMMER FLOWERING BULBS

for Spring planting 2012

Welcome to our Summer Flowering 2012 bulb list, which contains our usual extensive range of approximately ***100 Dahlias, 30 Liliums*** *and* ***30 Gladiolus*** including many new varieties***,*** plus more choice from our ***Connoisseurs Range*** together with many other bulbs to brighten up your beds, borders, conservatory and containers.

Whilst every effort is made to ensure continuity of supply, inclusion in this list does not guarantee availability. Stocks of some lines will be very limited so to avoid disappointment we recommend that you place a 'reservation order' on a *COLLECTION ONLY basis.*
Please note: We do not offer a mail order service for any of our stock lines.
