

PRIVATE EVENT PACKAGES

GROWN AT WISLEY, PLATED AT WISLEY

We believe in menus that feature an honest approach, with simplicity, seasonality and quality at the core. We are passionate about supporting independent, regional growers and producers and we build our menus around vegetables and salads grown at RHS Wisley.

We love the seasonal bounty of fresh British produce - we get excited about asparagus in April, gooseberries in August and even the humble sprout. When the quality of ingredients is good, the flavours of the dishes speak for themselves.

We are committed to reassuring an enjoyable experience with our new hygiene measures and risk assessments that have been carefully crafted within the guidelines and advice given by the UK government and the World Health organisation. Please ask your event manager for advice or concerns.

PRIVATE EVENT PACKAGES

We have designed a selection of packages to make organising your special occasion easier. The catering packages are designed to include standard catering equipment and staffing and keeping you safe within the latest COVID-19 regulations. All prices are based on a two-hour and a half event.
