

Grow With It 2024

Scan the QR code to head to Grow With It and contribute your data to our map!

Use this handy wall chart to keep track of your plants' progress – and remember to contribute your data to our online map so that we can see how communities are growing all over the UK!

California poppy

These flowers only open in sunlight, and close at night or on cloudy days

Date seeds sown	Date of germination	Date of true leaves	Date of first flower	Date seeds saved			
April <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	May <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	June <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	July <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	August <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	September <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	October <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	November <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____

Love-lies-bleeding

Ornamental as well as edible! Amaranth seeds can be cooked and eaten

Date seeds sown	Date of germination	Date of true leaves	Date of first flower	Date seeds saved			
April <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	May <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	June <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	July <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	August <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	September <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	October <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	November <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____

Cosmos

'Cosmos' comes from the Greek 'kosmos', meaning "beautiful" or "harmony"

Date seeds sown	Date of germination	Date of true leaves	Date of first flower	Date seeds saved			
April <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	May <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	June <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	July <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	August <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	September <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	October <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	November <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____

Rudbeckia

Cut stems when buds begin to colour to make a beautiful bouquet

Date seeds sown	Date of germination	Date of true leaves	Date of first flower	Date seeds saved			
April <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	May <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	June <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	July <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	August <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	September <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	October <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	November <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____

Fennel

As well as being grown as a vegetable and herb, fennel will grow tall with tiny yellow flowers

Date seeds sown	Date of germination	Date of true leaves	Date of first flower	Date seeds saved			
April <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	May <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	June <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	July <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	August <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	September <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	October <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____	November <input type="checkbox"/> mains <input type="checkbox"/> rains Times watered: _____

Each month, keep track of how you water your plants - did you use mains water or rainwater? How much did you water?
