Coloured numbers in bold before the page number(s) denote the part number (month). Each part is paginated separately.

Numbers in *italics* denote an image.

Where a plant has a Trade Designation (also known as a selling name) it is typeset in a different font to distinguish it from the cultivar name (shown in 'Single Quotes').

For more information about plant names and the RHS Award of Garden Merit (AGM), see *RHS Plant Finder 2023*, pp37–41.
