

RHS GARDEN ROSEMOOR

Self Guided Activity Ideas for Schools

Key Stage 1

SCAVENGER HUNT

How long will it take?

30 minutes to 1 hour

What do we need to bring?

Card to make Scavenger hunt mitten and double sided sticky tape

How do we do it?

Tape two hand sized pieces of card together to make a mitten. One per child. On one side put 3 or 4 rows of good quality double-sided sticky tape (available from all good DIY shops). On the other side stick a printed list of items to scavenge.

Discuss with children about caring for plants and what they can pick up during their scavenger hunt.

Please pick only things on the floor which are NOT growing.

Where can we do it?

All round the garden

When can we do it?

All year round

Ideas for Scavenger list

- A leaf with wavy edges
- A seed
- 3 different shades of green
- A feather
- Something spiky
- Something smooth
- Something red
- Something long
- A yellow petal

Follow up ideas

- Circle time to share what children found for each object, can they identify what it is?
- Use their senses to describe the objects further.
- Use their imagination to make up what the objects could also be.
