Funds for all gardens

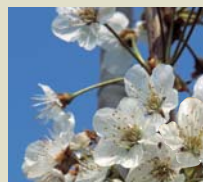

The RHS Flower Fund

The RHS Flower Fund enables the RHS to continue to plant and maintain the beautiful flower displays and inspiring collections across all four gardens: Wisley in Surrey, Hyde Hall in Essex, Harlow Carr in Yorkshire and Rosemoor in Devon.

From the Amber Queen ('Harroong') of the Rosemoor rose garden and the haze of purple *Verbena bonariensis* within the Dry Garden at Hyde Hall, to the dazzling displays of candelabra primulas alongside the streamside garden at Harlow Carr, and the intense colour of the *Kniphofia rooperi* which lights up Wisley's mixed borders.

The RHS Cherry Tree Fund

Trees play a vital part in all our lives, from moderating the climate to adding beauty, elegance and serenity. Donations to The RHS Cherry Tree Fund help the RHS maintain and plant trees within areas of woodland

and the wonderful displays within the arboretums, fruit fields, pinetums and parkland across the four gardens.

From the Japanese cherries of Lady Anne's garden at Rosemoor and the hundred year old oak trees at Harlow Carr, to the deep purple leaves of the *Fagus sylvatica* 'Dawyck Purple' in the Wisley Jubilee Arboretum and the *Malus x zumi* 'Golden Hornet' lighting up Hyde Hall's Gold Garden well into the winter months.

Benches and other Special Projects

Where possible we try to accommodate wishes to fund in-memory benches, which are available from time to time. These can only be offered when they are already included in garden plans. For bench enquiries please contact RHS Garden Wisley on telephone number 01483 212 340.

If you are interested in making a large donation, you may be able to fund a special project the garden wishes to undertake, please contact the RHS Development Office on telephone number 020 7821 3125.

Celebrate a love of gardens

Many families choose to give a donation to the RHS, to celebrate the life of a loved one, by remembering their passion for gardening or love of a favourite garden.

These gifts help the RHS to continue to give pleasure and inspiration and to pass on knowledge to gardeners for years to come.

You can choose to donate towards a particular garden or towards the work of the RHS in maintaining its beautiful flower collections or its woodland and ornamental trees across the four gardens. All loved ones are acknowledged in one of the Books of Remembrance, a book is held at each garden.

The Wisley Rose Fund

Donations to The Wisley Rose Fund help to support the planting of Wisley's stunning roses.

Roses have a long and colourful history. Garden cultivation of the rose began 5,000 years ago and roses have been loved by many generations of gardeners, they hold great sentiment and meaning for many.

Roses provide an array of colours, shapes and scents. From the beautiful rich red of the hybrid tea *Rosa* Ingrid Bergman ('Poulman') to the deep orange of *Rosa* Dawn Chorus ('Dicquasar'). The hypnotic scent of Hybrid Musks on warm summer days; the violet and pink hues of the *Rosa* 'Ballerina' and the fast growing 'Paul's Himalayan Musk' with its candy-floss flowers. The delicate petals of the climbing White Cloud ('Korstacha') and intricate soft honey of Penny Lane ('Hardwell') which changes to pink blush later in the summer.

Gardens of Reflection

Every RHS garden has an area where visitors can reflect on the happy times which loved ones have enjoyed at the garden. The Wisley rose gardens are dedicated to all those who have loved Wisley.

If you would like your gift to benefit the RHS as a whole please see the reverse of this leaflet for further details.

Celebrate a love of gardens with a Gift

Simply choose which fund you would like your donation to go towards. A tribute fund will be set up in the name of the loved one, to which donations from others can be added if appropriate. (Extra leaflets can be requested to distribute to friends and family if required).

All loved ones are acknowledged in one of the Books of Remembrance, a book is held at each garden.

If you have any queries please call the RHS Development Office on 020 7821 3125.
