

RHS GARDEN HYDE HALL

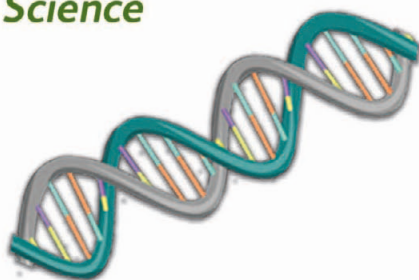

Self Guided Activity Ideas for Schools

Key Stage 2

Explore the Vegetable Plots

.....
Curricular Links: Science

How long will it take?

30 minutes to one hour

What do we need to bring?

- Pencils
- Paper and clipboards
- Camera

How do we do it?

- Explore the Vegetable Plots in groups.
- Look at the different plants and decide which part you eat.
- Draw diagrams and take pictures.
- Do the parts that you eat grow above ground or underground?

Where can we do it?

The Vegetable Plots.

When can we do it?

Late spring, summer, or early autumn.

Follow-up Ideas for School

- Plant vegetable seeds at school.
- Cook and taste some vegetables at school.
- Make posters encouraging people to eat vegetables.
- Choose your favourite vegetable and investigate more about it - where did it come from originally, what nutrients does it contain, what is the best way to grow it.
- Look up some recipes that include your favourite vegetable as an ingredient.
