

RHS Campaign for School Gardening

Supported by **Waitrose**

RHS Garden Harlow Carr is working hard to reduce landfill waste.

The RHS Lunchbox Challenge!

Your challenge:

Your landfill waste must fit inside our small bin.
If you succeed your school will receive our 'Well done' certificate.

- **Encourage your children to bring a healthy packed lunch.** (This will result in little or no landfill waste.)
- **Take home items that can be re used or recycled.**
- **Composting facilities will be provided.**
