

## ORIGINATORS AND REGISTRANTS

The following hybridizers, introducers and registrants appear in the Register. The Registrar would welcome information about any whose names have been inadvertently omitted or whose entries are incomplete or incorrect. The names are also included of some of the other people of significance to the daffodil world.

b	born
c	circa
crd	commenced raising daffodils
d	died
Prop.	proprietor
rd	raised daffodils

If two or more locations are given, they are in chronological order and, unless otherwise stated, in the same country, county or state as the preceding location.

British county or conurbation names are those obtaining in the person's lifetime. County names that have been completely obliterated in recent boundary changes are for information followed by the new name in brackets, eg Radnorshire (now Powys).
