

Judges Wanted

Every year horticultural societies and gardening clubs throughout the UK hold thousands of shows, giving gardeners the opportunity to demonstrate their expertise and have their horticultural achievements recognised. The passion for growing and showing is still strong, and so, therefore, is the demand for astute, knowledgeable and experienced judges. Currently fewer than 200 are on the register, which is why we are appealing for more. It costs nothing to put your name on the register, and we don't charge people to view it. So please consider putting yourself forward or suggesting it to someone you'd recommend.

Regional Registers To make it easier to find local judges, the register is divided into the ten RHS regions. Each region has its own register but judges can appear on more than one. You don't have to cover every area in a region but make sure you are on a region's register if you are prepared to judge in any part of it.

Topics At the back of each register is an index of topics to make it easy to find a judge for a specific class. For each of the specialities you provide please indicate which topic it refers to. If it doesn't fit neatly into one topic, you may choose a second.

- A Allotments & Gardens; Container Gardening
- B Chrysanthemums & Dahlias
- C Roses
- D Fuchsias & Pelargoniums
- E Climbers incl. Sweet Peas
- F Spring Flowers incl. Daffodils
- G Pot Plants (indoor/heated) incl. Orchids
- H Broad Range of Flowers
- I Fruit
- J Vegetables
- K Food & Drink
- L Floral Art; Handicrafts; Trade Stands
- M Judges on many classes; Miscellaneous

Fees To give an indication of costs, fee brackets are also given on the register. Most gardening clubs are small with limited funds so please think carefully about how much you wish to charge.

Please note: appearing on the register does not confer any endorsement by the RHS
