HANDCRAFTED WORKS OF ART

The Map - Charlotte Bourrus

Atelier Charlotte Bourrus reinvents the snow globe with her magical colourful 3D paper collages, preserved under a glass dome. Handmade and hand cut out quirky and intricate cityscapes, evoking special memories of places visited and explored and weaving emotions through the narrative. Each piece of art is an original creation as unique as the story it tells.

Liz Valenti

Liz Valenti's paper studio is a realm of enchantment, where artistry and innovation intertwine to craft breathtaking works. Her handcrafted paper shoes are a testament to her creativity, blending fashion and paper art seamlessly. Delicate, intricate, and one-of-a-kind, her paper shoes evoke a sense of whimsy and sophistication, making them a coveted addition to any art and fashion enthusiast's collection.
