"I take a huge amount of inspiration from my garden so I always look forward to the time of year when we can throw open the doors and spread our homes outdoors once again and I can create a comfortable, magical place to enjoy with family, friends and of course our dogs". - Susie Watson

Susie Watson Designs

RHS Chelsea Flower Show

Susie Watson Designs is known for its timeless English style created through handmade craftsmanship and creative designs that have captured the imagination since its launch in 1999. Today designer and founder Susie Watson, with her daughter Anna, is continuing to develop the most beautiful interior products including handprinted fabrics, handcrafted furniture, rugs, cushions and ceramics all designed to create a look that is elegant, welcoming and stylish. Susie's philosophy is that a home should be warm and inviting yet informal enough to serve the needs of everyday family life.
