An **source of expertise** and information for the **dedicated plant enthusiast**, RHS specialist publications give a **deeper understanding** and appreciation of plants, providing a wealth of **valuable horticultural information**

Where to advertise

RHS specialist publications are tailored to meet the needs of discerning plant enthusiasts who are keen to extend their knowledge and understanding of plants

The Plant Review

Essential reading for expert gardeners, it features informative plant-related articles written by leading authorities. Published quarterly in full colour, *The Plant Review* contains an accessible mix of plant profiles, botany, horticulture and the latest garden plant developments.

RHS Plant Finder

An essential reference for all serious gardeners, the annual *RHS Plant Finder* puts gardeners in touch with specialist growers and suppliers. It includes information to help source more than 81,000 plants, and provides contact information for nearly 500 nurseries. Around 3,300 new plants are listed.

RHS Members' Handbook

The essential guide to events across the RHS, and the privileges available to RHS members. Published annually and circulated in print and online to members of the Society and the general public worldwide, it provides information about the RHS, RHS Gardens, Partner Gardens and RHS Shows.
