Numbers in **bold** before the page number(s) denote the part number (month). Pagination for parts 1 to 8 (January to August) is consecutive (pp1-580). From part 9 (September 2011) onwards each part is paginated separately.

Numbers in *italics* denote a picture or illustration.

Where a plant has a Selling Name (also known as a trade designation) it is typeset in a different font to distinguish it from the cultivar name (shown in 'Single Quotes'), which by law must be shown on plant labelling.
