# Index 2013

**1** January 2013

**2** February 2013

**3** March 2013

**4** April 2013

**5** May 2013 (including Chelsea supplement)

**6** June 2013

**Coloured numbers in bold** before the page number(s) denote the part number (month). Each part is paginated separately.

The letter **C** indicates the Chelsea Centenary supplement, which was included with the May 2013 issue (**5**).

Numbers in *italics* denote a picture or illustration.

Where a plant has a Selling Name (also known as a trade designation) it is typeset in a different font to distinguish it from the cultivar name (shown in 'Single Quotes'), which by law must be shown on plant labelling.

For more information about plant names and the RHS Award of Garden Merit (AGM), see *RHS Plant Finder 2014*, p11.
