

PLANTS FOR BATS

SPRING MAR - MAY		
<i>Acer campestre</i>	S	native plant - field maple
<i>Acer platanoides</i>	T	Norway maple
<i>Acer pseudoplatanus</i>	T	sycamore
<i>Acer saccharum</i>	T	sugar maple
<i>Aubrieta deltoidea</i>	H	aubrieta
<i>Aurinia saxatilis</i>	H	alyssum
<i>Caltha palustris</i>	H	native plant - marsh marigold
<i>Chaenomeles japonica</i>	S	Japanese quince
<i>Chaenomeles speciosa</i>	S	Japanese quince
<i>Chaenomeles x superba</i>	S	Japanese quince
<i>Cheiranthus cheiri</i>	Bi	wallflower
<i>Corylus avellana</i>	S	native plant - hazel
<i>Crataegus monogyna</i>	S	native plant - hawthorn
<i>Erica carnea</i>	S	heather
<i>Erica x darleyensis</i>	S	heather
<i>Euphorbia characias</i>	S	spurge
<i>Euphorbia polychroma</i>	H	spurge
<i>Hebe spp & cultivars</i>	S	hebe
<i>Iberis saxatilis</i>	H	perennial candytuft
<i>Iberis sempervirens</i>	S	perennial candytuft
<i>Lunaria annua</i>	Bi	honesty
<i>Malus baccata</i>	T	crab apple
<i>Malus domestica</i>	T	edible apples
<i>Malus floribunda</i>	T	crab apple
<i>Malus hupehensis</i>	T	crab apple
<i>Malus 'John Downie'</i>	T	crab apple
<i>Malus sargentii</i>	S	crab apple
<i>Mespilus germanica</i>	T	medlar
<i>Primula vulgaris</i>	H	native plant - primrose
<i>Prunus avium</i>	T	native plant - wild and edible cherries
<i>Prunus domestica</i>	T	edible plum
<i>Prunus incisa</i>	S	ornamental cherry
<i>Prunus laurocerasus</i>	S	cherry laurel
<i>Prunus mume</i>	T	ornamental cherry
<i>Prunus padus</i>	T	native plant - bird cherry
<i>Prunus spinosa</i>	S	native plant.- blackthorn/sloe
<i>Prunus tenella</i>	S	ornamental cherry
<i>Prunus x yedoensis</i>	T	ornamental cherry
<i>Pulmonaria angustifolia</i>	H	lungwort
<i>Pulmonaria saccharata</i>	H	lungwort
<i>Pyrus communis</i>	T	pear
<i>Ribes sanguineum</i>	S	flowering currant
<i>Romarinus officinalis</i>	S	rosemary
<i>Salix caprea</i>	S	male form, not female. Native plant.- goat/pussy willow
<i>Salix hastata 'Wehrhahnii'</i>	S	willow
<i>Salix lanata</i>	S	willow
<i>Silene dioica</i>	A	native plant - red campion
<i>Smyrniolum olusatrum</i>	A	alexanders
<i>Taraxacum officinale</i>	H	native plant - dandelion

SUMMER JUNE - AUGUST		
Achillea filipendulina	H	
Actaea japonica	H	bugbane
Agastache foeniculum	H	
Ageratum houstonianum	A	ageratum
Alcea rosea	Bi	hollyhock - single flowered forms
Allium aflatumense	B	ornamental onion
Allium christophii	B	ornamental onion
Allium giganteum	B	ornamental onion
Allium nutans	B	ornamental onion
Amberoa moschata	A	sweet sultan
Angelica archangelica	Bi	angelica
Angelica gigas	Bi	giant angelica
Angelica sylvestris	Bi	native plant.- wild angelica
Anthemis tinctoria	H	
Aruncus dioicus	H	goatsbeard
Asparagus officinalis	H	vegetable asparagus
Astrantia major	H	astrantia
Borago officinalis	A	borage
Buddleja davidii	S	butterfly bush
Buddleja globosa	S	golden ball buddleia
Calamintha nepeta ssp nepeta	H	catmint
Calendula officinalis	A	English marigold - single flower types
Callistephus chinensis	A	China aster - single flower types
Calluna vulgaris cultivars	S	native plant - ling heather
Caryopteris x clandonensis	S	
Centaurea atropurpurea	H	
Centaurea cyanus	A	native plant - cornflower
Centaurea dealbata	H	
Centaurea macrocephala	H	giant cornflower
Centaurea montana	H	
Centaurea nigra	H	native plant - hard head knapweed
Centaurea scabiosa	H	native plant - great knapweed
Centranthus ruber	H	red valerian
Cheiranthus allioni	Bi	Siberian wallflower
Chrysanthemum x superbum	H	shasta daisy - open centred forms
Coreopsis lanceolata	H	
Coreopsis tinctoria	A	
Coreopsis verticillata	H	
Cosmos bipinnatus	A	cosmos/Mexican aster
Cotoneaster horizontalis	S	
Cotoneaster microphyllus	S	
Crataegus monogyna	S	native plant - hawthorn
Cynara cardunculus	H	cardoon
Dahlia	H	dahlia - open centred forms such as 'Amazone', 'Moonfire'
Dianthus barbatus	Bi	sweet William
Echinacea purpurea	H	coneflower
Echinops bannaticus	H	globe thistle
Echinops ritro	H	globe thistle
Echinops setifer	H	globe thistle
Erica cinerea	S	heather
Erica erigena	S	tree heather
Erica vagans	S	heather
Erigeron spp and hybrids	H	fleabane
Eryngium alpina	H	sea holly
Eryngium giganteum	Bi	sea holly

<i>Eryngium planum</i>	H	sea holly
<i>Eryngium x tripartitum</i>	H	sea holly
<i>Eupatorium cannabinum</i>	H	native plant - hemp agrimony
<i>Eupatorium maculatum</i>	H	
<i>Ferula communis</i>	H	giant fennel
<i>Foeniculum vulgare</i>	H	fennel
<i>Gaillardia x grandiflora</i>	H	blanket flower
<i>Geranium pratense</i>	H	native plant - meadow cranesbill
<i>Hebe</i> spp. and cultivars	S	hebe
<i>Helenium</i> cultivars	H	
<i>Helianthus annua</i>	A	sunflower - single flower forms, avoid pollen-free cultivars
<i>Heliotropium arborescens</i>	A	heliotrope/cherry pie
<i>Heracleum sphondylium</i>	H	native plant - hogweed
<i>Hesperis matronalis</i>	H	dame's violet
<i>Hydrangea anomala</i> ssp <i>petiolaris</i>	C	climbing hydrangea
<i>Hyssopus officinalis</i>	S	hyssop
<i>Iberis amara</i>	A	annual candytuft
<i>Inula ensifolia</i>	H	
<i>Inula hookeri</i>	H	
<i>Inula magnifica</i>	H	
<i>Jasminum officinale</i>	C	common jasmine
<i>Kalmia latifolia</i>	S	
<i>Knautia arvensis</i>	H	native plant - field scabious
<i>Knautia macedonica</i>	H	
<i>Lavandula</i> hybrids and cultivars	S	lavender
<i>Lavatera olbia</i>	S	shrubby mallow
<i>Lavatera trimestris</i>	A	annual mallow
<i>Leucanthemum vulgare</i>	H	native plant.- ox-eye daisy
<i>Ligustrum ovalifolium</i>	S	privet
<i>Limnanthes douglasii</i>	A	poached egg plant
<i>Linaria purpurea</i>	H	purple toadflax
<i>Lobularia maritima</i>	A	alyssum
<i>Lonicera periclymenum</i>	C	common honeysuckle
<i>Lysimachia vulgaris</i>	H	native plant - yellow loosestrife
<i>Lychnis coronaria</i>	Bi	
<i>Lythrum salicaria</i>	H	native plant - purple loosestrife
<i>Lythrum virgatum</i> 'Dropmore Purple'	H	
<i>Malva moschata</i>	H	native plant - musk mallow
<i>Matthiola incana</i>	Bi	Brompton stock
<i>Matthiola longipetala</i>	A	night-scented stock
<i>Mentha aquatica</i>	H	native plant - water mint
<i>Mentha spicata</i>	H	Garden mint
<i>Monarda didyma</i>	H	bee balm
<i>Myosotis</i> spp	A	forget-me-not
<i>Nepeta x faassenii</i>	H	catmint
<i>Nicotiana glauca</i>	A	ornamental tobacco
<i>Oenothera biennis</i>	Bi	evening primrose
<i>Onopordum acanthium</i>	Bi	giant thistle
<i>Origanum vulgare</i>	H	native plant - marjoram
<i>Papaver rhoeas</i>	A	native plant. - field poppy
<i>Phacelia tanacetifolia</i>	A	
<i>Pyracantha coccinea</i>	S	firethorn
<i>Reseda odorata</i>	A	mignonette
<i>Rosa canina</i>	S	native plant - dog rose
<i>Rosa rubiginosa</i>	S	native plant - sweet briar rose
<i>Rosa rugosa</i>	S	

Rosmarinus officinalis	S	rosemary
Rubus fruticosus	S	native plant and edible blackberry
Rubus idaeus	S	raspberry
Rudbeckia fulgida	H	
Rudbeckia hirta	A	
Rudbeckia laciniata	H	Open centred forms
Scabiosa caucasica	H	scabious
Sedum spectabile	H	ice-plant
Sedum telephium	H	
Sidalcea malviflora	H	
Solidago spp and cultivars	H	golden rod
Sorbus aria	T	native plant - whitebeam
Sorbus aucuparia	T	native plant - mountain ash/rowan
Tagetes patula	A	French marigold
Tanacetum vulgare	H	native plant - tansy
Telekia speciosa	H	
Thymus spp	S	thyme
Verbascum olympicum	Bi	
Verbascum thapsus	Bi	native plant - common mullein
Verbena bonariensis	H	
Verbena rigida	A	
Verbena x hybrida	A	
Veronica longiflora	H	
Veronicastrum virginicum	H	
Viburnum lantana	S	native plant - wayfaring tree
Viburnum opulus	S	native plant - guelder rose
Zinnia elegans	A	zinnia

AUTUMN SEPT - OCTOBER		
Aconitum carmichaeli	H	
Actaea simplex	H	bugbane
Aster amellus	H	michaelmas daisy
Aster koraiensis	H	
Aster lactiflorus	H	
Aster novae-angliae	H	michaelmas daisy
Aster novae-belgii	H	michaelmas daisy
Aster oolentangiensis	H	
Aster turbinellus	H	
Aster x frikartii 'Mönch'	H	
Dahlia cultivars	H	single flower forms
Fatsia japonica	S	
Hedera colchica	C	
Hedera helix	C	native plant - ivy
Hedera helix 'Arborescens'	C	
Helianthus x lactiflorus	H	
Leucanthemella serotina	H	
Salvia 'Mystic Spires Blue'	H
