Upon acceptance to the MHort programme, candidates must inform the MHort team which option they intend to pay via. Candidates are able to switch between payment options at the discretion of the MHort team.

Payment is made online via the VLE with a debit card, credit card or PayPal account. Invoices for BACS transfers may be issued in the event that your employer is funding your programme. Candidates who pay via the monthly payment option can only pay via BACS transfer.

Please note that fees are reviewed each year and are non-refundable, and so no fees will be reimbursed if the paid-for units are not completed. If you defer a unit or year, you may incur increased charges payable in the year that you re-join the programme.
