

## Harlow Carr Mathematical Scavenger Hunt

As you follow the trail keep a look out for the following items:

Some mathematical shapes:

Shape	Location (coordinates)	Sketch
Octagonal prism		
Kite		
Sphere		
Trapezium		

Some curves that are similar to the graphs of some mathematical functions:

Description	Location (coordinates)	Sketch	Which function?

Some tessellations:

Description	Location (coordinates)	Sketch

Some shapes or patterns or designs that have symmetry:

Description	Location (coordinates)	Sketch	Type of symmetry
			Rotational symmetry order 3
			One line of symmetry
			Rotational symmetry order 5
