# RHS Partner Garden guidelines

---

## HOW TO USE THIS DOCUMENT

These RHS guidelines cover the basic rules relating to the RHS Partner Gardens mark.

## THE RHS PARTNER GARDENS MARK

The RHS Partner Gardens mark is available for use by members of the RHS Partner Gardens scheme.

Please always ensure you keep the mark at a legible size for maximum visibility and legibility.

The minimum size has been specified here for print and digital applications, but please try and apply the mark at larger sizes where possible.

25mm (min)

## CLEAR SPACE

Please ensure there is adequate clear space around the RHS Partner Gardens mark.

## COLOUR

The preferred application is the green version of the RHS Partner Gardens mark.

Where this is not possible, the mark may be reproduced in either black or white, depending on which iteration provides greater legibility.
