CAFÉ TEA ROOM MENU

A family business since 1919

Our family business story is one founded on the dreams of a young Swiss boy, Frederick. Life dealt little Frederick a cruel hand: orphaned at a young age in a fire at his father's mill in the tiny Swiss village of Wangen-an-der-Aare, he was then sold to the highest bidder as farm labour.

While Frederick's story got off to a shaky start, his passion for baking and confectionary changed the course of his life and led him to England, where in 1919 Bettys was born.

Over one hundred years later the story continues and we are very proud to be an independent family owned business. Our third, fourth and fifth generation family members work together to ensure we stay true to Frederick's vision of quality, craftsmanship and attention to detail, as well as looking ahead to our next 100 years and the generations to come. The world has changed a lot since 1919, and so has Bettys, but our values and our passion for good service and quality remain at the heart of everything we do.

Just like any family, each of our branches has their own personality and so do the delicious dishes on our menu and the treats in our shops. We celebrate our Yorkshire roots, but draw inspiration from our Swiss heritage. This blend, just like our expertly blended tea and coffee, is one that is uniquely Bettys, and we hope you enjoy it as much as we do.

From our family to yours, we welcome you to Bettys and thank you for visiting us.
