

# RHS Get up and grow trail

There are lots of flowers planted here for pollinators to enjoy.  
Get to know these garden visitors on your way around the trail  
and learn what plants they love and why.

## Your mission:

Follow the map and see if  
you can spot these flowers  
at each location.

**Well done! You've completed the trail, can you buzz over  
to the Garden Exit to collect your seed packet prize!**

Why not take home some of the ideas you've learnt today, to grow flowers  
in lots of shapes and colours to attract different types of pollinators?
