

RHS Get Up and Grow Trail

Help us find the favourite flowers of pollinating insects

Buzz your way round our trail to discover the favourite flowers of our garden heroes - the pollinators.

Your mission:

Our pollinators need you to buzz around our trail to find the letters shown at each plant you find.

Well done! You have now collected all 9 letters, can you rearrange them to make a word? Buzz on over to collect your sticker from an RHS Team Member at the Exit area.

Why not take some of the pollinating ideas home and grow flowers in lots of shapes and colours for different types of pollinators?
