

GREEN MEADOW FURNITURE

With the Ethan Collection

— EST 1984 —

Green Meadow Furniture has been offering a wide range of hardwood garden and conservatory furniture in partnership with 'Ethan Collection' established in New Zealand in 1984.

This, over the years, has been developed and matured to now offer all shapes and sizes of tables and benches as part of your table settings or as formal garden benches together with Parson James Armchairs, Sun Loungers, Lounge Suite and many more, synonymous with comfort and style.
