After the success of last year's event, the RHS will be returning to curate the Flower Zone at one of London's most popular summer shows.

The Lambeth Country Show celebrates the very best of the city and countryside with its mix of live music, traditional countryside pursuits and fun competitions. This will include horticultural shows, sheep dog & owl displays, home grown vegetable and flower competitions, numerous craft & food stalls as well as an on-site farm. All of this and much more will be on offer with a distinctively south London vibe.

The RHS on Tour will be working alongside the Lambeth Horticultural Society who will be running floral competitions in the Flower Zone marquee. Join in the fun with family-friendly floral workshops, and buy a whole range of plants and cut flowers from specialist nurseries. There will also be informative talks from expert growers as well as RHS Garden advisors on hand to offer help on all things garden related.
