

RHS Chelsea Flower Show 2017

Inspired by the M&G Garden 2m x 1m Planting Plan

Create your own -
'Malta' themed area inspired by the M&G Garden.

The garden is inspired by the principles of ecological sustainability and the urgent need for action to preserve the fragile balance of our planet. It uses the unique environment of Malta to explore the cyclical relationship between destruction and creation, as the country provides a microcosm of our planet's plight today.
